ADMISSION POLICY

The admissions procedure

1. A parent must complete an application form for admission, which is made available to him or her by the administrator of the school together with the admission policy and the code of conduct for learners of the school.
2. The principal ensures that parents are given whatever assistance they may require to complete the form.
3. When a parent applies for admission of a learner to the school, the parent must present an official birth certificate of the learner to the administrator of the school.
4. If the parent is unable to submit the birth certificate, the learner may be admitted conditionally until a copy of the birth certificate is obtained from the regional office of the Department of Home Affairs.
5. The administrator must advise parents that it is an offence to make a false statement about the age of a child. (See Births and Deaths Registration Act, 1992 (No. 51 of 1992).)
6. The parent must ensure that the admission of the learner is finalised within three months of conditional admission.
7. On application for admission, a parent must show proof that the learner has been immunised against the following communicable diseases: polio, measles, tuberculosis, diphtheria, tetanus and hepatitis B.
8. If a parent is unable to show proof of immunisation, the administrator must advise the parent on having the learner immunised as part of the free primary health care programme.
9. When a learner transfers from one school to another, the principal must complete a transfer card and hand it to the parent, or forward it to the administrator of the receiving school.
10. (Note: the learner's permanent record remains with the school and is not passed on to the receiving school.) The learner's transfer card must be attached to the application form for admission to the receiving school.
11. If the transfer card is not available the principal of the receiving school may admit the learner and place the learner in a grade on the basis of the following documentation:

- the last report card issued by the previous school;
- other equivalent documentation from the previous school; or
- A written affidavit of the parent stating the reason for not having the transfer card and the grade the learner attended at the previous school.

Admission of non-citizens

The South African Schools Act, 1996 and this policy apply equally to learners who are not citizens of the Republic of South Africa and whose parents are in possession of a permit for temporary or permanent residence issued by the Department of Home Affairs.

1. A learner who entered the country on a study permit must present the study permit on admission to the public school.
2. Persons classified as illegal aliens must, when they apply for admission for their children or for themselves, show evidence that they have applied to the Department of Home Affairs to legalise their stay in the country in terms of the Aliens Control Act, 1991 (No. 96 of 1991).

Age requirements for the admission of a learner to the school or different grades of a school

1. Learners admitted to the school in Grade R must be six years old or turning six before 30 June of the year of admission.
2. Learners admitted to the school in Grade 1 must be seven years old or turning seven before 30 June of the year of admission.
3. As far as possible, they will be placed in a fast track facility, or with his or her peer group, unless it is not in the educational interest of the learner. In the latter case the learner will be placed in a suitable lower grade, and an accelerated programme will be worked out for the learner to enable him or her to catch up with the peer group as soon as possible.
4. Children with special needs may also be accommodated provided it is within the school's ability to cater appropriately for the learner's educational and other needs (e.g. any physical impairment).

SCHOOL EQUITY AND DIVERSITY POLICY

We believe that God created all men equal, therefore discrimination is not our praxis.

- We strive to develop a diverse, just and equitable society.
- The dignity of all staff and learners is respected, affirmed and defended.
- A biblical worldview in all learning areas and staff management is promoted.

As an educational institution, we are committed to:

- No discrimination on the basis of colour, race, gender or social class,
- Representation of the diversity of the new South Africa within context of Biblical values
- Upholding democratic principals

We strive to express this in Lambton Christian School by:

- Maintaining a fair representation of our society within our student body and staff in compliance with our statement of faith,
- Ensuring that every effort is made to accommodate learners with learning disabilities. This however depends on our capacity at the time to offer such remedial work,
- Offering a curriculum that makes allowance for cross-cultural & democratic practices,
- Endorsing and maintaining a Christian ethos that displays a sensitivity to other cultures,
- Developing and encouraging skills in dealing with Godly conflict resolution,
- Highlighting the plight of the less fortunate.

LANGUAGE POLICY

Tuition is provided using English as the medium of instruction. From Grade 1 onwards all learners will be introduced to a second language (namely Afrikaans). All language subjects shall receive equitable time and resource allocation.

The following promotion requirements apply to language subjects:

- In Grade 1 to Grade 2 promotion is based on performance in both languages.
- From Grade 3 onwards, both languages must be passed.

CODE OF CONDUCT

The following will serve as a guideline to our school's approach to maintain effective discipline at LCS.

1. Objectives

The main purpose of our discipline system is to encourage and promote appropriate behaviour by using positive incentives. The focus is on the obtainment of merits and rewards.

2. Management

Effective management of our Merit/Demerit system requires commitment and support from educators, learners and parents. Parents are encouraged to support the school's discipline program.

3. Merit System

Merits can be earned for the following:

- Displaying Christ-like characteristics (politeness, honesty, helpfulness, consideration, co-operation etc).
- Positive attitude, effort & participation in school work.
- Being a good ambassador to the school.
- Monthly Scripture memory verses memorised.
- Excellent effort made in a task/oral/project.
- Good work done in exercise books
- Good progress in spelling/bonds/table tests
- Co-operative behaviour
- Enthusiastic participation in school functions.

4. Discipline

“Obey them that rule over you and submit yourselves” Hebrews 13v17

Discipline is much more than control or punishment – it is what is done **for** a student, not to him. Training for leadership requires consistency in love and discipline of a student. We will not accept a student unless we are given parental permission to issue necessary punishment to that student when the need arises.

If your child comes home complaining about a policy of discipline, please adhere to the following procedure:

- Give the staff the benefit of the doubt: “Foolishness is bound in the heart of a child, but the rod of correction shall drive it far from him.” *Prov.23v13-14*
- Realize that your child’s reporting *may be emotionally biased* and may not include all the information: “Train up a child in the way that he should go and when he is old he shall not depart from it” *Prov.22v6*
- Realize that the school has reasons for all rules, and that they are *enforced without partiality*: “Children, obey your parents in all things, for this is pleasing to the Lord.”
- *Colossians 3v20*
- Support the Administration and *call the school for the facts*.

The discipline will be firm, consistent, fair and tempered with love.

9. Respect

At LCS we teach the learners respect for others. We, as Christian educators, respect our learners and their parents, and we expect this attitude to be returned. Our attitude is not to speak critically of anyone. It is only as we give respect that we can expect to receive it in return. Disrespect, towards staff or fellow pupils, is therefore viewed in a serious light, and will be dealt with under the school's correction policy.

Please support the school and staff by administering correction in a loving manner, should the need for such discipline arise.

- exercise effective supervision over all those for whom they are responsible, including learners;

5. Visitors

It is a standard requirement that all visitors/parents/guardians etc, report directly to the school office and not to classrooms. Any visitor/ parent/guardian etc will be turned away should he/she report directly to any classroom.

Regular visitors and other users of the premises (e.g. contractors and delivery men) are expected, as far as reasonably possible, to observe the safety rules of Lambton Christian School.

PREGNANCY POLICY

As a Christian school we will treat our learners with grace but will ensure that the reputation of the school and its staff and learners are protected at all times. In the event of a learner from our school falling pregnant, the school will deal with the matter in the following way:

1. Learner and Parents

- A learner who is pregnant or has reason to believe she may be pregnant should inform someone in the school immediately, preferably a senior educator. A learner who is aware that another learner is pregnant should also immediately inform the school.
- As soon as the matter has come to the schools attention, either from the student herself, her parents or another person, the parents and student will be contacted to come in for an interview with the Pastor and the Principal. In such case as the learner has not informed her parents, the matter will be dealt with confidentially and parents or guardians will only be informed and involved after consultation with the learner involved.
- Parents and guardians may not be absolved of their responsibilities regarding their pregnant child. Parents and guardians should therefore ensure that the school is timeously informed about the condition of their child, ensure that she attends a health clinic, and that reports are communicated to the school.
- Each situation will be treated individually and all parties will have an opportunity to state their concerns.

2. The School

- The learner will then not be allowed to attend school once she has reached her 4th month of pregnancy (16 weeks) until after she has had the baby and must produce a medical report declaring that she is fit to resume classes. The learner must also be made aware that, after childbirth, the rights of the newly born baby must be protected, and she should be able to demonstrate to the school that proper arrangements have been made for the care and the safety of the child.
- The school will not discriminate against the learner, however, the pregnant learner should also understand that some members of the community might not readily accept and be supportive of their situation because of the value systems to which they subscribe.
- The learner will be allowed to resume class work after the birth of the baby upon receipt of a medical certificate clearing her for resuming her studies (minimum 6 weeks).
- The learner may, however, only resume attendance at the school one year after the birth of the baby.
- The school will strongly encourage the learner to continue with her education prior to and after delivery of the baby
- The learner may do work at home and bring the completed work to school between 14:00-15:00 hours to be scored.
- Termly reports will be issued as per normal.
- The learner will be required to attend counselling session provided by the school. The sessions will be compulsory for the learner if she intends continuing class work whilst she is pregnant or if she intends resuming attendance at the school after the birth of the baby.
- A record of these counselling sessions will be kept on the learners personal file
- At no time whilst the learner is pregnant should she wear the school uniform.
- Parents will still be liable for school fees for the duration of their daughter's pregnancy and suspension period.
- In the case of a learner falling pregnant due to immoral behaviour, if the learner does not stop this behaviour she may be asked to leave the school.

3. Other learners

- Once a learner or her parents or guardian has informed the school that a learner is pregnant the children from grades 4-12 will be informed of the situation.
- They will be informed that the learner has contravened Biblical principles and the school
- Learner Conduct Policy. To protect their reputations and the schools' the learner will not be allowed to attend the school until at least one year after the birth of the baby and then only if she has followed the criteria of counselling and stopped any immoral behaviour.
- Learners will be informed that the pregnant learner has not been expelled, but has been asked to do class work for a time at home and that she may resume attendance after the baby has been born.
- Learners will be informed that although we do not condone this behaviour, we still love the learner according to John 8:1-11, and will provide spiritual support through counselling as well as academic support as outlined above.
