I UNDERSTAND THAT THE SCHOOL HAS A FINANCIAL POLICY

Lambton Christian school has made every effort to keep school fees affordable to parents. We therefore rely on the school fees paid to us in order to deliver a good service to you and your child. When school fees are not paid in full or on time it affects our ability to render a good quality service to you and your child.

It is for this reason that we as a school have a financial policy in place. The financial policy can be viewed in our admission policy which you would have read before you completed these enrolment forms. The policy makes provisions for the suspension of a child for fees that are not paid to the school on time or in full.

Payment of fees needs to be made in full and the correct reference number (your child's allocated student number) has to be used as the reference when making any payments to the school. The school will not be held liable for not finding payments that have been made without this number reflecting as the reference for the payment. Fees are paid at end of month: March fees will be due on the 31st of March and cannot be paid later on in the following month.

The responsibility to supply the school each month with a proof of payment is the responsibility of the paying parent or guardian. The school has the right to ask for a proof of payment in order to trace and allocate any payments that are made into the school's account.

The school has the right to suspend any child from the school due to non-payment or short payments of school fees. This includes but is not limited to any money owing to the school that is in arrears.

I, the undersigned applicant, declare that I have read and fully understand the financial policy of the school. I further declare that I understand that it is my duty to furnish the school with proof of payment on a monthly basis. I also further understand that should I not provide proof of payment to the school on time or should I not pay the school on time that my child will be suspended from the school until proof of payment / or payment has been made and submitted to the school in terms of the financial policy. I am in agreement with all the terms and conditions of Lambton Christian School and will abide by said terms and conditions as described.
